

Ambassador L. Douglas Heck  
Coordinator of the Cabinet  
Committee Working Group on  
Terrorism

On the chance that you may not have seen the attached, I am sending you a copy of the Tactical Manual for Hostage Situations that is now in use within the Police Department in New York City. I found that Chapter 1 on tactics is well written and intelligently pragmatic. You might find it of some assistance.

STAT FROM : [REDACTED]  
Office of General Counsel

SUBJECT : Anti-Terrorist Tactics

1. Pursuant to our conversation of 1 November 1976, attached please find the "Tactical Manual for Hostage Situations" of the New York City police department. I obtained this at a recent seminar conducted by the Association of Federal Investigators, of which I am a member. I hope this manual will be of some information to you. My contacts in the Association of Federal Investigators and in the New York City police department have stated that they would be more than happy to provide additional information should such be necessary for our purposes. If I can be of any further assistance in this matter, please feel free to contact me at your convenience.

2. As we also discussed, I am finalizing my memorandum on the emergency preparedness succession plans and when the memorandum is ready a copy will be forwarded to you. Once again, if I can be of any further assistance don't hesitate to call.
